The **STATE NEWSLETTER** will now be published and mailed out in August to facilitate getting the State meeting information out to everyone. SOUTHERN CHAPTER 2020 MEETINGS

The meeting schedule and plan have been updated to deal with the Coronavirus Pandemic. The April Meeting was cancelled. The **May and June** meetings will be held virtually. An invitation to the meetings will be emailed out to everyone a few days before the meeting. If you need help figuring out how to connect to the meeting with your **computer, tablet or phone** please contact Tamara Estes, and she will call you to help get you set up. (territorialdaughters@gmail.com or 719-244-4747). The two virtual meetings will give us more time to figure out any social distancing requirements for the remaining 2020 meetings.

The virtual meetings will also provide our out of state members and members that do not have time or way to attend the meetings in person to connect with us. I hope to be able to use this technology for at least a couple of our meetings every year to help ALL members participate in the Southern Chapter. Our meetings and programs are open to the other TDC Chapters and the public.

PLEASE ensure Tamara Estes has your email address to be included in the meeting invitation. RSVP to Tamara Estes at territorialdaughters@gmail.com or 719-244-4747

Member dues for 2020 need to be paid by **June 1**. The Dues deadline was extended to accommodate our members during the COVID-19 crisis. Please contact our treasurer Kathy West at westkathy19@gmail.com if you have any questions on your dues status.

Southern Chapter Member Honored

The Fremont County Historical Society started the year off with a very important ceremony in January with a crowd of over 45 people when the following award was presented.

The “Doc” Little Historian of the Year Award is given every January to a deserving person who has worked diligently to further the mission of the Society in Education, identification of sites, preservation of documents and information for the public to use. This year this auspicious award was given to **Kathy Uhland**. Kathy is a member of the Southern Chapter and follows last years winner, Margaret Stiles Storm, as the second TDC member so honored.
